MABECS Pre-University Fair 2020 to proceed as planned with additional measures to safeguard the well-being and safety of attendees

In lieu of the on-going novel Coronavirus outbreak, we will be implementing additional precautionary measures during the fair.

At the fair, we have already prepared for enhanced cleaning to maintain high standards of hygiene and cleanliness. The venue, Kristal Ballroom 1 at Hilton Petaling Jaya will be disinfected before and after the fair. There will be hand sanitisers available to attendees at the Registration Table. We will also adopt a 'no-contact' policy as an extra precaution.

The health and well-being of our attendees is of utmost priority. Alongside these additional measures, we remain ready and prepared to implement further enhanced measures as required by the authorities and will be providing further periodic updates leading up to the MABECS Pre-University Fair 2020.
